

Introducing...

FireJet 4c

Powered by **memjet**

Our most recent innovation is an all-in-one printing system that combines the heavy-duty transport Kirk-Rudy is famous for along with the quality and reliability from Memjet and their new DuraFlex technology. This new breed of inkjet printer offers a profitable alternative to the smaller desktop, toner-based digital color printers on the market today, as well as a low cost alternative to larger production press systems.

- Resolution up to 1600 x 1600 dpi
- Speeds up to 150 ft/min (at 1600 x 954 dpi.)
- Print width up to 12.75" (A3+ and A4 cut sheets)
- Pigment aqueous inks
- Long print head life (approx. 120 liters)
- XKolor RIP and color management software

- ✓ **Easy to operate**
- ✓ **Small footprint**
- ✓ **Low maintenance**
